

P.E Newsletter

Dear Parents/Carers,

As we come towards the end of a fantastic year, we have so much to reflect on and be proud of. After a very busy half term, I'd like to share with you some of our achievements and successes over the past 6 weeks...

Our Reception, Year 1 and Year 2 children have enjoyed working with coaches from 'Teddy Tennis' and have improved their hand-eye coordination and teamwork skills. I wonder if we will see them on the courts of Wimbledon as they get older.

Our Key Stage 2 children have been working on their Athletics unit with Mr Chadwick, which enabled us to prepare for Sports Day! Sports Day was a wonderful occasion, and it was so lovely to see all our children showcasing their sporting talents in the sunshine. A huge thank you to all parents who attended to support their children. Some of our children were awarded with certificates and medals during celebration assembly for demonstrating our Beaumont values and winning the class running race. It must be noted however that the 'most entertaining running race' award must go to our Beaumont Dads!

Sports Day was just one of the many highlights of Sports Week. We also invited a wrestling coach into school during Sports Week and this was hugely popular with our children. A sport many had not tried before, but an experience I'm sure they won't forget!

Also during Sports Week, some of our Year 3 and 4 children took part in a Colour Fun Run at Rivington and Blackrod High School. An amazing evening where our children finished their race covered head to toe in powder paint! Rumour has it that Kaitlyn and Nathaniel are still trying to remove the blue stains from their hair...

Did you hear about the charity Netball match between Beaumont and Lostock teachers? In hot conditions, Beaumont teachers came from 5-1 down at half time to draw 6 all! Miss Brindle scored some excellent goals and Mr Chadwick never stopped running! A huge thank you to the children who helped us with our training at lunch time.

As always, our children have also taken part in many inter-school tournaments and festivals this half term, representing school brilliantly. Last week, some of our Year 5 children took part in a table tennis festival. A special mention to Zain Ali who won most of his matches! Additionally, Year 6 enjoyed a badminton festival at St Joseph's High School, and cricket tournament at Westhoughton Cricket Club. Both teams learnt new skills and earned medals for their efforts.

A very special opportunity was presented to some of our Year 3 and 4 boys just last week. Coaches from Wigan Warriors taught our team tag rugby skills at Westhoughton Rugby Club before they competed in matches against other schools. Additionally, they had a chance to have their photograph taken with the Challenge Cup and meet the Mayor of Bolton! We are now very excited for the Rugby World Cup later this year.

Year 6's annual Bikeability sessions were a big success last week! Miss Marren was so impressed with the resilience and determination on show. Amazing progress was made as our children become more confident cycling on the roads of Bolton.

It wasn't just Year 6 being pushed out of their comfort zones this half term – Year 2 had weekly visits to Ladybridge to improve their Swimming skills! I was lucky enough to go to one of these sessions and couldn't believe how well our children could swim. Everyone did their best, and many overcame their fears of the pool. Amazing work, Year 2!

Did you take part in Iron Kids? It was great to see so many pictures of you competing in this wonderful event. Thank you for sharing your achievements on Twitter and with your peers in class. Some of our teachers even participated in the Iron Man Night Run!

As we come to the end of our academic year, it is important that we take time to reflect on our achievements and set targets for next year. As our Year 6's move on to High School, we wish them the best, and send a huge 'good luck' their way. Thank you for being such a big part of our sports teams at Beaumont.

Have a lovely Summer and I look forward to seeing you in September. We already have big sporting plans for the Autumn term!

Kind regards,

Miss Mitchell-Yorke

P.E Lead
