Healthy Eating Policy

Here is a reminder of our Healthy Eating Policy

Snack

Reception and Key Stage 1 classes include a morning break time snack of fruit or vegetables for all children. We take part in the Government initiative to provide all infants with free fruit and vegetables during the day.

Key Stage 2 children are encouraged to bring in a healthy snack.

Packed lunches

Many children bring a packed lunch to school. Parents are requested not to send in foods such as thickly covered chocolate biscuits or any foods which are high in sugar, fat or salt. We also insist that nut or nut products (although they can be very healthy) are not included in a child's packed lunch because of the danger to other children with allergies.

We recommend packed lunches to include:

At least one portion of fruit and one portion of vegetables every day ☐

Meat, fish or other source of non-diary protein (e.g. lentils, kidney beans, chickpeas, hummus and falafel) every day. ☐

Oily fish such as salmon regularly ☐

A starchy food such as any type of bread, pasta, rice, crackers, breadsticks, couscous, noodles, potatoes or other type of cereals every day ☐

Dairy food such as milk, yogurt (low sugar), cheese, fromage frais every day.

Water (non-flavoured), fruit juice, plain milk (semi-skimmed or skimmed)

Do you have any ideas on how to make Beaumont even better?

You suggested that when Y5 and Y6 play outside at morning break they can play across both yards.

This was spoken about at a staff meeting and staff agreed that this was a reasonable request as long as children kept away from the building so not to disturb lessons that were going on.

Speak to your class MP and let them be your voice in School Parliament.
