How do you feel about Art at Beaumont?

After feedback from children about Art lessons in school we are looking at moving towards a new art scheme of work which is being trialled in Y1, Y5 and Y6. This will involve art being taught every half term rather than termly and will allow for more time to practise the skills learnt.

What is the feedback like so far?

We did some perspective drawing and we could draw lots of different objects and details. We used viewfinders to focus in on details and copy them into our sketchbooks.

We like the step by step instructions and it helps you improve.

How are you finding lunchtimes since the changes?

Do you prefer sitting down on the tables?

You said:

We like having to sit down rather than standing and waiting for a long time. We like being able to talk to our friends.

Do you have any big debate ideas?

Your ideas!

Should boys and girls have separate classes?

Should we use a menu to order school dinners?

Should students bring in their own stationary?

Do you have any ideas on how to make Beaumont even better?

- Pre-order food for dinner times
- More football tournaments and matches.
- More concrete areas for football
- More balls for each class
- We should be allowed to play on any playground - infants and juniors.

Speak to your class MP and let them be your voice in School Parliament.
